Not Your Typical Orthodontics Practice

While many dentists and orthodontists offer Invisalign® in Hampton Roads, Dr. Behl has treated hundreds of cases, giving him the expertise to treat even the most complex orthodontic conditions using Invisalign! He is a Diamond Provider of Invisalign, the #1 Provider of Invisalign in Hampton Roads as well as a top provider of Invisalign in the world!

From the moment we originally opened our doors, our passionate, experienced team members have always worked tirelessly to make Behl Orthodontics a very special place to be. With our offices located very conveniently all over the Hampton Roads area, we want to go above and beyond simply providing superior dental care to those who live in these areas. We want to offer an excellent experience - one that gets you legitimately excited about going to the orthodontist.

Braces for Kids

Early prevention orthodontics for children fixes things like crossbites, crowded teeth or narrow arches.

Braces for Adults

Correct your orthodontic problems not only for cosmetic reasons, but to maintain your health as well.

Invisalign for All

Invisalign uses precise aligners that perfectly fit your mouth, correcting problems effectively & comfortably.

Convenient Locations in Hampton Roads

Behl Orthodontics has convenient locations across Hampton Roads. Each location boasts state of the art facilities and technology. And, beyond the tech, Behl's central mission is serving Hampton Roads and giving back to the community and schools every chance we get.

Technology

Making your visit better, faster, and more comfortable.

We're committed to using only the most sophisticated and advanced technology available in the industry today, which ultimately allows us to go above and beyond in terms of the quality of care we offer. We rely on proven industry tech like SureSmile, iTero, the use of 3D printers for retainers, and more.

We scan your teeth in just a few quick minutes, with no more yucky, goopy impressions.

Only the best and most effective care possible.

Flexible Financing

Absolutely everyone deserves to love the smile they see when they look in the mirror - no exceptions.

Behl Orthodontics is committed to creating affordable options for all members of the Hampton Roads community. Our dedicated finance director will work directly with your family to create a plan that fits your needs.

Our Military

At Behl Orthodontics, we love serving our military families. We accept most insurances and offer a discount for all active military personnel and their families!

Dr. Behl even offers remote treatment monitoring for those brave men and women who must travel overseas for extended periods of time.

GLO Whitening

We are proud to be a certified GLO Science dental practice, offering our patients the very best teeth whitening experience and results available anywhere - with faster appointments, superior results, and little to no sensitivity.

We offer a variety of GLO teeth whitening options including GLO Professional Take-Home Whitening Kits.

Over the decade that we've been in business, we've proudly treated more than 10,000 patients and we can't wait for the opportunity to do the same for you.

Our Patients Leave Smiling

Don't just take our word for it. Here's what our smiling patients had to say!

"I'm around people all day, so Invisalign was a great option for me. I would tell anyone to come see Dr. Behl because of the staff, technology, and great time I had." - Rachael

"I chose Behl Orthodontics because they're known for having a stellar reputation. Invisalign helped remove a barrier while interacting with people." - Josh

"It's never too late to get your smile perfected. I chose Behl because everyone has a smile on their face. It's a totally different experience." - Steven
